**Hicks Landscape Contractors, Inc.**  
6204 Robertson Pond Rd.  
Wendell, NC 27591

**Hicks Landscape Contractors**  
Family Owned and Operated Since 1996

## Family Owned and Operated

Since 1996, Hicks Landscape Contractors, Inc. has been providing landscape services for the Wake County area. In recent years we have expanded our business to incorporate all aspects of the lawn area to include design, irrigation, lighting, drainage solutions, hardscapes and maintenance. As our client, you can utilize our skill and ability to transform your yard into the beautiful space that you've only dreamed about.

## Design

Hicks Landscape Contractors has an inhouse designer who can turn your yard into a beautiful, functional outdoor living space that will give you pleasure and enjoyment in the time you spend outdoors. You can come home to a formal English garden, a tropical paradise or a natural cottage atmosphere. You imagine it... **we can make it happen!**

## Hardscapes

Enhance the aesthetics and value of your property when you add a patio, walkway, pool deck, driveway, or a retaining wall. There are so many possibilities with Belgard pavers.

## Lighting

Hicks Landscape Contractors use VISTA Lighting Systems, which is a low-voltage system. VISTA offers an array of fixtures that can be used in a variety of ways to enhance the evening appearance of your home and bring your landscape to life.

## Irrigation/Sprinkler Systems

We use Hunter/Rainbird irrigation systems which are considered to be top of the line in the landscape industry. The irrigation systems we install are designed to provide full coverage of all turf areas and plants on your property. We are also very consciences about planning your system with water conservation in mind.

## Drainage Solutions

We can help you with all types of grading issues, water shedding issues, water holding issues, ditches and swales.

## Lawn Maintenance

### FULL SERVICE PROGRAM

Our Maintenance Division provides **full service lawn care**. An annual contract includes tree and shrub care, turf management, twice-annual re-pinestrawing and re-mulching, monitoring your irrigation system, maintaining flower beds and pruning.

Other seasonal services and enhancements may also be included in your program. Each client is treated with special attention to their needs and desires for their property. Imagine coming home each day to a beautifully manicured yard without having to put in the hours of work. **Call us for an estimate today.**

Spend more time with family and friends, or a hobby that you enjoy.

Let us take care of your lawn and you'll see how much difference a **Hicks Landscaping FULL SERVICE MAINTENANCE PROGRAM** makes!
